The Principal

Thiagarajar College of Engineering
Madurai

Sub: Requesting Affidavit for Renewal of Scholarship

Respected Sir,

I am S Venkadesh (21C114), 3rd year from the Department of Computer Science Engineering at Thiagarajar College of Engineering. I had applied for renewal of my scholarship (in PMSS) but it requires the submission of 1st year Marksheet.

As our institution didn't release the marksheet, I have asked to submit the Computer Generated Marksheet with the signature of the controller of examinations and an Affidavit from the principal of the institution.

So, I kindly request you to accept my Affidavit for the renewal of my scholarship declaring the computer-generated marksheet can be trusted.

Yours Sincerely,

S Venkadesh

(21C114)
